

CERTIFICATE

This is to certify that

Engineering and technology center GET, Joint Stock Company (ETC GET JSC)

Nakhimovskiy prospekt 58 117335 Moscow Russian Federation

has implemented and maintains an Occupational Health & Safety Management System.

Scope:

Design, manufacture, commissioning, technical support and modernization of software and hardware tools for simulation of the nuclear power plants units and other energy facilities and their subsystems for training of the operational and maintenance personnel; Projects verification and validation of nuclear power plant subsystems and other energy facilities

using mathematical modeling methods;

Development and supply of software for numerical simulation of complex technological energy facilities.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO 45001:2018

Reg. No. Valid from Valid until 21110059 OHS18 2022-10-31 2025-10-30
