

CERTIFICATE

This is to certify that

Engineering and technology center GET, Joint Stock Company (ETC GET JSC)

58 Nakhimovsky Prosp.
Akademicheskiy District
117335, Moscow
Russia

with the organizational units/sites as listed in the annex
has implemented and maintains a
Quality Management System.

Scope:

Design, manufacture, commissioning, technical support and modernization of software and hardware tools for simulation of the nuclear power plants units and other energy facilities and their subsystems for training of the operational and maintenance personnel;
Projects verification and validation of nuclear power plant subsystems and other energy facilities using mathematical modeling methods;
Development and supply of software for numerical simulation of complex technological energy facilities.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of international standard:

ISO 9001:2015

Reg. No	41110353 QM15
Valid from	2024-10-30
Valid till	2027-10-29
Date of revision	N/A
Date of initial certification	N/A

Head of Certification Body

Mikhail Zalunaev
