CERTIFICATE

This is to certify that

Engineering and technology center GET, Joint Stock Company (ETC GET JSC)

Nakhimovskiy prospekt 58
117335 Moscow
Russian Federation

has implemented and maintains a
Quality Management System.

Scope:
Design, manufacture, commissioning, technical support and modernization of software and hardware tools for simulation of the nuclear power plants units and other energy facilities and their subsystems for training of the operational and maintenance personnel;
Projects verification and validation of nuclear power plant subsystems and other energy facilities using mathematical modeling methods;
Development and supply of software for numerical simulation of complex technological energy facilities.

Through an audit, documented in a report, it was verified that the management system fulfills the requirements of the following standard:

ISO 9001:2015

Reg. No.	21110057 QM15
Valid from	2022-10-31
Valid until	2025-10-30

БГЦА	BY/112 133.01 ГОСТ ISO/IEC 17021-1 СТБ ISO 50003 СТБ ISO/TS 22003 СТБ ISO/IEC 27006
BSCA
